Dear Hope Enterprises Parents/Families/Guardians/Staff,

Our executive team is sending well wishes to you and your family during this complicated and unprecedented time. Given the directive of Governor Wolf and the state of Pennsylvania, we will be closing Hope's facility-based, Community Participation Support (CPS) program starting **March 17 and will be in effect until further notice**. This program impacts individuals who attend the following locations from Monday through Friday from the hours of 8am-3pm:

- CSPARK- 1511 Catherine Street, Williamsport, PA
- Renovo- 845 Pine Street, Renovo, PA
- Williamsport- 2401 Reach Road, Williamsport, PA

To continue the care of the individuals we serve, staff may be temporarily assigned to assist in Hope's residential homes, companion, and in-home services. Although we understand this is not ideal for any of us – not for clients, not for families, and not for Hope – this is the very best way we can keep our individuals, families, and staff safe and healthy.

We thank you for your patience and cooperation as we work through this emergency situation. Please continue to refer to www.hopeability.org for any updates and reference the attached document from the Office of Developmental Programming (ODP).

All the best,

Robert Labatch
