Procedure	1.	Ту	pes of incidents and timeline for reporting:
Troccure			Hope will provide ongoing education and training to individuals, person(s)
			designated by the individual on the recognition of incidents, timeline for
			reporting and incident management policies and procedures.
		Β.	Hope will provide training to all staff upon hire and annually thereafter on
			the incident management Bulletin (preventing, recognizing, reporting and
			responding to incidents; ensuring health, safety and welfare of individuals;
			Individual Rights; Roles and Responsibilities of Initial Reporter, Point Person,
			and Certified Investigator; Victim's Assistance; Mandated Reporting
			Requirements to Adult Protective Services, Law Enforcement, etc.;
			Administrative Review Process and Determination of Investigations; and
		_	Peer Review Process)
		C.	Program Specialists/Supervisors, or designees will ensure that person(s)
			designated by the individual listed in the ISP are notified about the incident
			management activities as indicated by the individual.
			Hope will assign Point Person roles to whom incidents are reported.
		с.	Hope will ensure the assigned Point Person takes immediate steps to assure health and safety have been implemented and follow the incident through
			closure.
		<b>F</b> .	All Hope staff are responsible to be the Initial Reporter and notice details
			if they see an incident, hear an allegation, or <u>recognize</u> the signs that an
			incident may have occurred.
		G.	When individuals are hurt or harmed, staff will <u>respond</u> with empathy to
			support health and safety and then quickly <u>elevate</u> the information to the
			Point Person, who oversees the creation of the incident report. Staff will
			verbally contact a Point Person and complete an Initial Report Form.
		н.	When there is a medical Emergency, staff will immediately call 911. 911
			will always be your first call. Staff will continue care until EMS takes over
			care. Staff will elevate the information to the Point Person once the
			individual is in EMS care.
		ι.	Hope will provide a summary of the incident, the findings and the actions
			taken upon request from the individual and persons designated by the individual (Summary available through EIM).
		J.	Concerns regarding services that are related to incident management or the

	Investigator's role.	
	C. Hope's Compliance Department will ensure that monthly incident data	l
	monitoring and three-month trend analysis of incident data is conducted.	

	D. Monthly reviews of incidents and investigations will be conducted in an	
	effort to identify risk mitigation strategies to reduce the frequency of	
	incidents or reduce the severity of associated effects. The reviews will	
	include the following:	
	1. Analyze specific incident trends both individually and in aggregate.	
	2. Ensure corrective actions have occurred.	
	3. Make recommendations for any necessary changes to policies and	
	procedures and/or updates to strategies to address risk factors and risk	
	levels.	
	4. Determine the effectiveness of the Incident Management Policy.	
	5. Analyze closure status of filed incidents in EIM.	
	6. Analyze information on incident targets.	
	7. Analyze trends to identify systemic issues.	
	E. Information gathered will be reviewed with relevant staff emphasizing risk	
	mitigation strategies applicable to similar situations in the future.	
	F. Monthly and Quarterly Risk Management Reports will be maintained.	
	G. HOPE will provide reports regarding its review and analysis of incidents to	
	ODP or ODP's designee, upon request and will respond to actions	
	designated by ODP or ODP's designee as a result of the management	
	review of an incident.
