C. Program Specialists/Supervisors, or designees will ensure that person(s)
designated by the individual listed in the ISP are notified about the incident
management activities as indicated by the individual.
D. Hope will assign Point Person roles to whom incidents are reported.
E. Hope will ensure the assigned Point Person takes immediate steps to assure
health and safety have been implemented and follow the incident through
closure.
F. All Hope staff are responsible to be the Initial Reporter and notice details
if they see an incident, hear an allegation, or <u>recognize</u> the signs that an
incident may have occurred.
G. When individuals are hurt or harmed, staff will <u>respond</u> with empathy to
support health and safety and then quickly <u>elevate</u> the information to the
Point Person, who oversees the creation of the incident report. Staff will
verbally contact a Point Person and complete an Initial Report Form.
H. When there is a medical Emergency, staff will immediately call 911. 911
will always be your first call. Staff will continue care until EMS takes over
care. Staff will elevate the information to the Point Person once the
individual is in EMS care.
I. Hope will provide a summary of the incident, the findings and the actions
taken upon request from the individual and persons designated by the
individual (Summary available through EIM).
 Concerns regarding services that are related to incident management or the
investigation process will be received by the Compliance Department and
Hope's HELP-Line by calling 570-326-3745 press #3 or email at
help@hopeability.org.
K. Hope shall assure that there is no retaliation or threat of intimidation
relating to the filing or investigation or a concern related to incident
management.
2. Incident investigation:
A. Investigating an Incident:
1. Hope staff that have successfully completed the ODP Certified
Investigator Program will conduct investigations.
2. Point Person will immediately separate alleged target(s) from working
with any individuals.
3. Staff who are alleged targets of an investigation will be separated,
specific job duties prohibited or placed on administrative leave until

	the completion of investigation's administrative review process and
	completion of corrective actions.
	4. Point Person will contact the Compliance Department to have a
	Certified Investigator assigned to an incident that requires an
	investigation.
	5. Certified Investigator will conduct the first witness interview within 24-
	hours of being assigned the investigation.
	6. Certified Investigator will conduct the last witness interview within 10-
	days of being assigned the investigation.
	7. If, during an investigation, the certified investigator determines that an
	alleged perpetrator is not an employee, a volunteer or an individual
	receiving services from HOPE, the certified investigator will complete
	the investigation summary in EIM stating the reason why the
	investigation could not be concluded. The certified investigator will
	review the protective action taken by the agency and ensure
	communication with County AE occurs, outside EIM, to alert the county
	that appropriate interventions may be needed to protect the individual.
	8. Certified investigator will clearly document the investigation process
	and analysis of findings on the Certified Investigation Report template.
	9. Certified investigator will inform the administrative review team that the
	investigation is completed and participate in the administrative review
	of the investigation.
	10. Certified investigator will document their findings in the incident report.
	Certified investigators will use the narrative created in Section IV of the
	Certified Investigation Report to complete the "Summary of Investigator's finding" text box in EIM. Certified investigator will enter
	concise, pertinent information so reviewers get a clear understanding of
	the investigator's findings.
	11. Hope will ensure security of investigation files and evidence be
	maintained.
В	Administrative Reviews:
	1. HOPE will reconcile evidence and conclude investigations by following
	the Administrative Review Process Manual managed by the PA
	Department of Human Services, Office Developmental Programs
	through contract with Temple University Harrisburg
	2. The Administrative Review Committee will consist of a minimum two
	(2) members.
	3. The incident management representative or designee is selected as the
	committee's final decision-maker when consensus cannot be reached.
	4. The Certified Investigator who completed the investigation is not a
	member of the committee but serves as a consultant to answer
	questions about the investigation.
	-
	5. Administrative Review Committee meetings must be scheduled
	frequently enough that investigations are closed within 30 days.
	6. The Administrative Review Committee is responsible for the following
	outcomes:
	a. Review competency and quality of Investigation for speed,
	objectivity and thoroughness.
	b. Weigh evidence and determine investigation findings: Confirmed,
	Not Confirmed or Inconclusive.

		c. Determine preventative and additional corrective action plans.
		d. Complete section V of the Certified Investigation Report.
		e. Ensure implementation and monitoring of all types of corrective
		action plans.
	C.	Peer review of certified investigations
		1. HOPE will protect people from harm by evaluating the quality of
		certified investigations by following the Certified Investigation Peer
		Review (CIPR) manual managed by the PA Department of Human
		Services, Office of Developmental Programs, through Contract with
		Institute on Protective Services at Temple University Harrisburg.
		2. The HOPE Certified Investigations Peer Review (CIPR) Committee
		members will have completed the certified investigator course.
		3. The committee will consist of at least three (3) certified investigators.
		 The committee will consist of at least time? (3) certified investigators. The committee will review investigations quarterly to conduct analysis
		of the quality of investigations. The number of investigations selected
		for CIPR will be no less than ten percent (10%) of the investigations and
		include 1 from each Certified Investigator conducted during the review
		period.
		5. Investigations will be reviewed to determine speed, thoroughness, and
		objectivity.
		6. The CIPR Evaluation Tool will be used to assess investigations and to
		record findings after reviewing the investigation case file.
		7. The committee will provide ongoing performance feedback to certified
		investigators.
_		8. All completed reviews will be maintained in an agency file.
3.		lividual needs:
	А.	All employees will show respect for the individual who may have been hurt
		or harmed. <u>Listen</u> to what the individual and others tell you about what happened and <u>ask</u> questions to learn more. Focus on building trust by
		listening compassionately, asking non-leading questions, and <u>believing</u>
		what an individual communicates. <u>Respond</u> with support for health and
		safety risks, show empathy, and elevate the concern so others can report
		and act on it.
	В.	Relevant staff will work cooperatively with the Supports Coordinator to
		update the individual's support plan as needed by integrating risk mitigation
		strategies into the plan. An individual's risk mitigation strategies will be
	F !	monitored and updated as needed.

	D. Monthly reviews of incidents and investigations will be conducted in an
	effort to identify risk mitigation strategies to reduce the frequency of
	incidents or reduce the severity of associated effects. The reviews will
	, include the following:
	1. Analyze specific incident trends both individually and in aggregate.
	2. Ensure corrective actions have occurred.
	3. Make recommendations for any necessary changes to policies and
	procedures and/or updates to strategies to address risk factors and risk
	levels.
	4. Determine the effectiveness of the Incident Management Policy.
	5. Analyze closure status of filed incidents in EIM.
	6. Analyze information on incident targets.
	7. Analyze trends to identify systemic issues.
	E. Information gathered will be reviewed with relevant staff emphasizing risk
	mitigation strategies applicable to similar situations in the future.
	F. Monthly and Quarterly Risk Management Reports will be maintained.
	G. HOPE will provide reports regarding its review and analysis of incidents to
	ODP or ODP's designee, upon request and will respond to actions
	designated by ODP or ODP's designee as a result of the management
	review of an incident.
